DAMAGE WAIVER

The "Damage Waiver" is required on all rental equipment. This covers the renter for accidental damage to the rental equipment. The "Damage Waiver" does not cover damage caused by misuse, negligence, or abuse. **This damage waiver fee can be waived if the customer provides to Grand Rental Station a Certificate of Insurance from their insurer that shows Grand Rental Station named as an additional insured as well as showing coverage for "Contractors Rented Equipment" up to the value of the unit being rented.**

What is misuse, negligence or abuse?

Misuse is using the machine for a purpose it is not intended for. Examples of misuse could be: Utilizing a backhoe bucket to break up concrete. Improper placement of the machine while excavating at a digging site or using a skid steer to tow a freight car.

Negligence could include but is not limited to leaving a machine unattended, unsecured or failing to make a timely report of an incident (Timely reporting is considered to be the within one hour of the incident.), or parking a lift under a tree limb to be cut

Abuse is utilizing a machine beyond the limits of the machine such as jumping railroad tracks in a skid steer, curling the excavator bucket over a piston or swinging a counterweight into a tree. Damage caused by overloading of the boom or bucket or from a collision when the boom is in motion. Damage caused by the making the same "accidental" mistake repeatedly.
